

THE WHITE HOUSE

WASHINGTON

March 10, 1977

MEMORANDUM FOR: ADMIRAL TURNER
FROM: HUGH CARTER
SUBJECT: Permanent Passes

We are beginning to issue permanent passes as the FBI clearances are returned to us approved.

In most cases, we know who should have permanent White House passes. However, we are not sure whether certain members of the staff should receive White House or EOB passes.

Please indicate the type of permanent pass the members of your staff listed below should have, i.e., White House permanent, EOB permanent or no pass.

Please note that we need to control the number of White House passes that are issued, and you should therefore approve these only on an as-needed basis.
